March 19, 2020

Hello from Dorchester Public School! The staff has been working extremely hard to put together materials for the students. As you will recall from my last message, we will begin implementation of home-based learning on this coming Monday, March 23rd. PK-5 grade will have packets, which may be picked up beginning Friday, March 20, or Monday, March 23, from 8:30 a.m. – 3:30 p.m. Please use the front door maintaining social distancing and less than 10 people at a time entering the building. One person from each family can enter the building to pick up the packets. We ask for your patience as we work through this process together. If you are unable to pick up your child's packet, please contact the school at (402) 946-2781.

6th-8th grade assignments went home with the students earlier this week. 9th-12th grade expectations were given and they will be doing their classes online. Email classroom teachers if you have any questions. Staff email addresses are located on our school website.

Currently, we are closed until Tuesday, March 31st. However, I think it is very important that we all prepare for the possibility that school may be cancelled for the remainder of the school year and that we would need to continue this home-based learning. With that said, we will follow the original 4th quarter 19-20 school calendar. Please visit our website at dorchesterschool.org for more details as well as a copy of the calendar.

Lastly, plan on weekly communication via this ALL Call for updates. At any time, do not hesitate to call the school at (402) 946-2781 if you have questions, problems, or concerns. The office will be open 8:30 a.m. to 3:30 p.m. Monday-Friday.

During this time, we need to all stay LONGHORN strong!!! Stay safe and take care of your families first!

Daryl Schrunk
Superintendent
