March 24, 2020

Dorchester parents, students, and staff:

Hello from Dorchester Public School! We want you to know that while we hope for a resumption of the normal in-person school year, it has been communicated to us by state government and local public health officials that we should plan for continued remote (home based) learning up to Thursday, April 30 or even the remainder of the school year. This indefinite closure will be periodically reviewed based on information from the health officials' monitoring of COVID-19 and advice from the Department of Education and the Governor's office.

As our teachers continue to prepare for student engagement, their learning plans will reflect this expectation. We know the situation could change and appreciate your patience and flexibility as we continue to cooperate with direction from the Governor, the Commissioner, and local public health officials.

Please visit our website at dorchesterschool.org for updated letters and information. Also, do not hesitate to call the school at (402) 946-2781 if you have questions, problems, or concerns. The office will be open 8:30 a.m. to 3:30 p.m. Monday-Friday.

Thanks for all your support!

A handwritten signature in black ink that reads "Daryl Schrunk". The signature is written in a cursive style with a long horizontal flourish at the end.

Daryl Schrunk
Superintendent
