Dedication

We, the graduates of Dorchester High School, gratefully dedicate this annual to the people of Dorchester - all the citizens of the district who have helped to contribute to our education and have helped to make our school years memorable. All of them deserve a big thanks, and we feel that by dedicating this annual to "School District 44" we can show our thanks and appreciation for the great support they have given us.

Administration

Board of Education

BACK ROW: Robert Cork, Secretary; Eric Semler, Delmer Feeken, Ruby Freeouf. FRONT ROW: Frank Papik, President; Mrs. William Clark, Phil Weber, Treasurer.

These people deserve a great deal of credit which they rarely receive. They have a thankless job attempting to provide the young people in the community with the best possible education.

This Board of Education has done and is doing an outstanding job, sometimes under difficult circumstances. They have the interests of the children and the community in mind when making any decision.

Students, parents, teachers, and staff, think kindly of these people and be grateful for them. Without an understanding and knowledgeable Board of Education, you would not have as fine a school system as you do.

Secretary

I appreciate this opportunity to say a few words in your yearbook and I wish to use this opportunity to bid farewell to the Dorchester School and Community.

I have enjoyed these past three years and I hope that the school has profited a little from my being here. You have an excellent system, one of the finest of its size in the state. The responsibility of keeping this fine reputation is up to you, the students, the faculty and staff, and the community.

Be proud of your school! Use the abundance of energy that you possess in a constructive and not a destructive manner. You, the students, are influencing your own education more and more. This is good if you do it in the right way. Remember, you are the citizens of tomorrow and you will determine what takes place in your community, state, nation, and in the world. You will be the ones who can take the credit or will have to assume the blame for what happens.

I have every confidence that you will never be a disappointment to me.

Seniors '69:

Discipline and achievement work hand-in-hand. I am sure you have achieved one of your goals by graduating from high school.

To succeed in life will require a great deal of self discipline on your part.

I hope you all find the things needed to be successful, happy, and useful citizens.

Good Luck!

'69 Class Prophecy

10 years from now:

LESTER BARAK is now a multi-millionaire playboy getting married this week for the sixteenth time ... can't seem to find the right woman.

BIG WITT (ROGER WITTMUS) after being kicked out of the Hell's Angels and barred from California, is now teaching clay modeling in a nursery school in Outer Mongolia.

RAY SLAMA was an owner of the Studd Sunflower Seed Factory but he ate himself out of business.

NORMAN SOKOLIK, the famous inventor, has invented a square pepsi can that opens in the top, bottom, or middle.

GENE SWANSON, professional bum, has just been crowned King of the Hoboes at the National Convention.

SUSIE DANEKAS is the newest member of the Peanuts comic strip. Her position is Mrs. Charlie Brown.

BYRON FEEKEN has been living in Canada after he flunked out of Grand Island. He chose Canada to evade the draft.

CLAIR GAUSMAN is now running a Souvenir and Gift Shop in Omaha, Arkansas. Somehow his heart stayed with someone after the Senior Trip.

RAY KASTANEK has finally given Sally his ring. Prospects for marriage are still about 15 years away.

SALLY HOSTETLER, elated about receiving Ray's class ring, has just shown us a picture of what she'll look like after her nose job for the wedding.

JOYCE MARISKA, now Mrs. Karl, is running the Elms Club. Business is booming.

KATHY FETTE, now Mrs. Ron Vejraska, is personal dental assistant to Kim Johnson, who is president of the Venice, California chapter of the Hell's Angels.

DARLENE PROKOP and her husband, Robert, have just acquired the ownership of the Bohemian Cafe in Omaha. Kolaches are big business these days.

CATHY BEEKLEY, exclusive East Harlem hairdresser, has just set the fashion world on fire by shaving her head.

TWILA JUSTA has just swept the National Livestock Convention. She was crowned Poultry Queen, Cow Queen, Pork Queen, Wool Queen, and Rodeo Queen. Later she was jailed for bribery.

MARLENE BARTEK, after her huge success and being in constant demand from the second production of "Candy," has announced she has accepted a starring role in her second big production, "Ma and Pa Kettle Strike Out."

CHRIS BEEKLEY, world renowned commercial artist has just perfected her latest creation, named "Tassels." On the sideline, she has just learned how to hiccup through a straw.

MARILYN KOHOUT is assistant to Dr. Christian Barnard at Groote Schuur Hospital in Capetown, South Africa. She has just stolen his heart.

The United States Army has decreased its forces to ten men because of the cruelty and abuses of Sgt. Berry Rasmussen.

BILL PLOUZEK, after graduating from the University of Nebraska, has just signed a multi-million dollar contract to coach the Pleasant Hill Pre-schoolers.

CONNIE PRACHEIL is now a multi-millionaire. She owns the Condor Bird Hatchery.

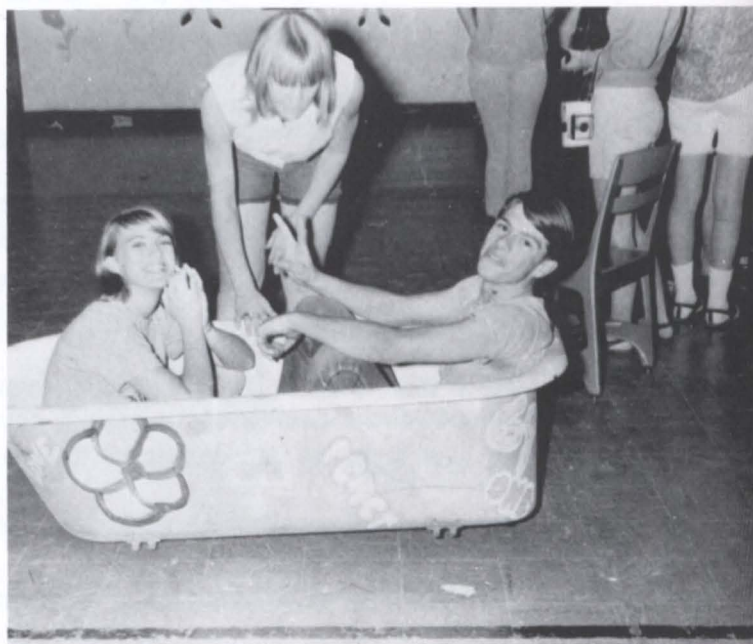

NANCY WIELAGE, co-editor and model for Playboy magazine, has just written a prize-winning article, entitled "Peek-a-boo."

ALLEN PAPIK has now retired at the ripe old age of 25. Seems as though profits from selling orange pop were quite high!

Scenery

The Juniors honored the Seniors under a ceiling of silver and blue with the theme, "In The Misty Moonlight." Chalk scenes, silver stars and dancing silhouettes added to the romantic atmosphere.

The theme.

Servers

"In the Misty Moonlight"

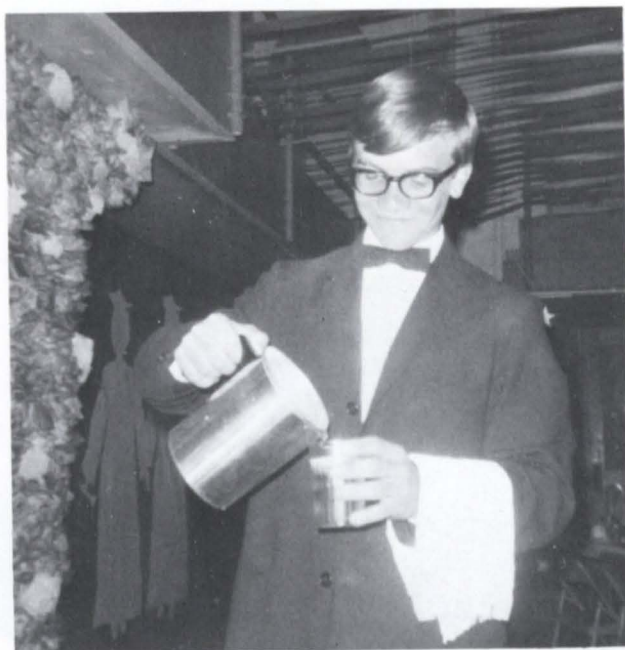

Boys tried to catch the fish in the pool all night, but none quite succeeded.

A delicious meal prepared by the Junior mothers was served by Sophomore butlers and maids. Mr. Ribble, the speaker and Senior Class sponsor, reminisced on his three years at Dorchester. The Wind Drifts combo provided the music for the dance.

A charming couple.

Deane Novak attempts to spill the water.
